

Quick Podium

The pneumatic system makes the fabric artwork smooth and free from wrinkles.

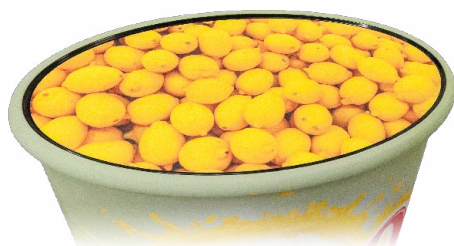

- **One step setup**
- **Fabric and podium in one**
- **Very easy handling**
- **Low weight**

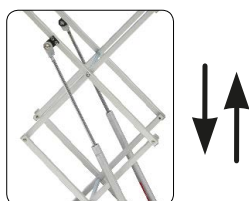

Quick Podium fits perfectly in the transport case.

The world's fastest podium!

One step setup podium and counter with sublimation printed fabric artwork. Very easy handling and smooth transport thanks to the low weight and optimized case.

The table top can be wrapped with a scratch resistant foil.

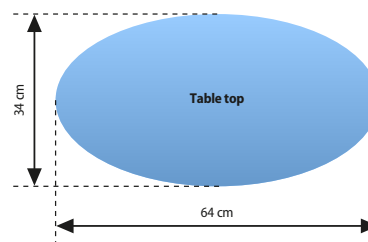

The pneumatic cross lift makes setup very easy. The podium is erected and collapsed by the push of a hand!
